CCFJLS Rules and Regulations

All exhibitors should carefully read the following rules and regulations, as they will be strictly enforced.

1. The Colorado County Fair Association reserves to its Livestock Superintendent and Assistant Superintendents final and absolute right to interpret all junior livestock and poultry rules and regulations and arbitrarily settle and determine all matters, questions and differences regarding thereto or otherwise arising out of connection with, or incident to the show.
2. Entries in this Division are open to members in good standing of 4-H, FFA, and Jr. FFA clubs in Colorado County, and who live in or go to school in Colorado County at the time of tag in. All 4-H, FFA, and Jr. FFA members must have been enrolled by January 1 and must have attended at least four (4) meetings prior to the fair. The only exceptions will be for those youth who will be entering the 3RD grade in September or a youth who moves to Colorado County after January 1 or except where specified in Division Rules.
3. Arrival of entries will take place according to the schedule posted. Check-in days and times will be strictly adhered to.
4. All exhibits must have been owned, fed, and groomed by the exhibitor since the beginning of the project. Beginning project dates are listed in Department Rules.
5. All entries must be shown and may sold by owner if the House Bill 72 requirements are met. This is the **“No Pass, No Play”** rule that has been put in place by Texas Legislation. The Livestock Superintendent(s) must approve exceptions to this rule.
6. Assigning space will be done through the Livestock Superintendent with assistance of Department Chairpersons. No person shall take possession of a stall or coop without having been so assigned.
7. No individual exhibitor aisle fans will be allowed in the livestock building.
8. The Colorado County Fair is subject to the rules of the Texas Animal Health Commission.
9. All trucks, trailers and vans must be parked in the designated parking areas.
10. Each exhibitor will be responsible for the care of his or her animal(s) and property. It shall be the responsibility of that person to care for, guard, protect, and preserve same as the Colorado County Fair Association does not undertake to do so, and it shall not be held responsible for any loss or injury to the animal.
11. **Each exhibitor must furnish feed for his or her animal(s). Exhibitors must clean stalls/pens before 8:00 a.m. each morning and maintain clean stalls/pens throughout the day. Exhibitors will be charged a \$200 fee for not complying. Exhibitors are to remove feed and water buckets from the stall/pen after the animal is cared for. No bedding hay will be allowed. Failure to abide may result in expulsion from show and/or sale.**
12. All cattle (except Pen of 2 Heifers) must be shown with halter and be sufficiently gentle to be properly handled by exhibitor. **The judge may dismiss projects from the competition that do not meet disposition criteria.**
13. Exhibitors are required to be appropriately dressed in the show arena. Shorts and open-toed shoes will not be allowed.
14. Exhibitors of Grand and Reserve Champion animals must make their animals available for the taking of official photographs. Times and locations will be announced during the show.
15. While the animal is on the show grounds the use of any type of drug or medication must be done in the presence of the Department Chairperson and/or licensed veterinarian. Abuse or misuse of drugs by any exhibitor will result in disqualification of the animal. If an animal becomes ill after check-in, the Fair will make every effort to contact the exhibitor or family member. If the animal is in immediate danger of dying, and the exhibitor cannot be reach, the Fair

will use its own discretion on calling a veterinarian. The expense will be the exhibitor's and not the Fair's. The Fair will not assume any responsibility in case of loss, damage, or death, or any financial responsibility.

16. Scales in each Department are official at both tag-in and show check-in. One scale will be used to determine the weights of the animals in that department. If for any reason there is a question about a weight, the animal may be backed off the scale, the scale balanced, and the animal immediately reweighed only one (1) more time. No time shall lapse between the first and second weighing.
17. If an animal dies before final placing, it will be ineligible for further competition, except broilers, and that decision will be made by the poultry chairperson and livestock superintendent.
18. The single judge system (except Pen of 2 Heifers) is the policy of the Colorado County Fair. The judges are selected with the utmost care. The decision of the judges will be final in all cases.
19. No claim for injury to any person or property shall ever be asserted, nor suit instituted or maintained against the Colorado County Fair Association, or its officers or agents, by or on behalf of any person, firm or corporation, or their agents or representatives, servants, or employees, having license or privileges to exhibit on the Fair Grounds or occupy space thereon.
20. It is suggested that the winning exhibitors write original thank you letters to the premium-trophy sponsor or sponsor of their event. Colorado County Junior Market Livestock and Poultry exhibitors should see special rule on "Thank You" letters in the Junior Market Livestock and Poultry Show Rules.
21. Livestock exhibitor's projects may be used for the Junior Livestock Judging Contest.

24. Each exhibitor (and exhibitor's parent or legal guardian – if exhibitor is a minor) must sign a statement acknowledging that he/she understands and will abide by the liability requirements and rules and regulations of the Colorado County Fair Association. If the exhibitor does not sign this statement, their application for entry will not be accepted.

Failure to abide by rules and regulations as printed will result in forfeiture of premium money and/or forfeiting rights and privileges to exhibit livestock in the future at the show.

25. Entries must be submitted to the Colorado County Extension Office on the dates listed in the **Schedule of Events**. No entries will be accepted prior to dates listed on the Schedule of Events. **Entries submitted after the dates listed on the Schedule of Events will be assessed a late fee of \$50.00 per exhibit until August 31st.** However, no entries will be accepted after September 1st. 1. The purpose is to help fund an exhibitor that has lost a project that he/she has tagged-in for the CCFJLS.
2. What qualifies as a “Hard Luck Project”? This is a project that was tagged in for the CCFJLS and is not able to be shown at the CCFJLS due to an unforeseen factor. This project must have a letter from a Doctor of Veterinary Medicine stating why the project cannot be shown at the CCFJLS and that no malnourishment or mistreatment was the cause of this project not being able to be shown at the CCFJLS. The exhibitor must contact the Chairperson of the project letting him/her know what has happened. If something happens to an exhibitor’s project before tag-in, then it does not qualify as a “Hard Luck Project”.
3. What qualifies an exhibitor for this privilege? The exhibitor has a project that meets the requirements of rule #2 of Hard Luck Projects and the exhibitor is not showing any other projects that have the possibility of being sold in the CCFJLS Sale.
4. No “Hard Luck Projects” will be sold in the CCFJLS Sale. The exhibitor will be recognized at the end of the CCFJLS Sale.
